Dear Mr. Hideo Fukuda,

It is with a great regret that I have to decline the offer letter for the IT trainee position in Emerio Malaysia Sdn Bhd earlier this week. I understand it was not easy to send a regrets after accepting it.

Working for the Emerio Malaysia Sdn Bhd is a great opportunity to me and it is quite unfortunate that I am declining your job offer. Besides, I understand that this decision an uncomfortable situation to you that you have to look for someone to hire at this late time. I have accepted another opportunity that is more in line with my skills and career goals.

I sincerely appreciate you taking time to interview me and share all information on the opportunity and the company. I apologize for the inconvenience that this has caused you. Thank you for understanding my predicament at this sensitive time.

Regards,
Muhammad Faris Fitri Bin Khairi
